Deep within every moment, there is pure joy. Set in a heavenly airport, this lovely allegory finds Herbie preparing for his flight to earth. About the Author:

Though an accountant by trade, Brad has always been a writer by nature, and his published works are the inevitable result. He credits his major turning point in both his writing career and life to an 800 kilometre walk across Spain in 2007. It was in every way, a life-changing pilgrimage. His primary hope is that his words bring inspiration and evolution to the reader, whether old or young.
